“ Marthanel was blessed with a long marriage and life providing an example to her family, friends and neighbors of God's intentions of Holy Matrimony. She never let their immaculate yard and property on Garrett Creek Road stay disrupted from a passing storm for long.

Marthanel knew how to cast her bread on the surface of the waters, for will find it after many days. My understanding is she created three dishes this past Sunday and took them to the special church gathering, hopefully saying I hope we'll have enough.

Better is a neighbor who is near than a brother far away. As in water face reflects face, so the heart of woman reflects woman.

Marthanel was a good neighbor and her heart reflected a good heart to the entire neighborhood. We are going to miss you, enjoy your rest.
