Alan and I went to school together at Bowdon and graduated as part of the BHS Class of '76. A few years after graduation, we ran into each other at Walmart. Alan asked if I recognized him, and of course I didn't – I'd never seen him with a beard in school! We got a chuckle from that and enjoyed talking together and catching up. It is so sad to learn of his untimely passing. Please know that he is fondly remembered and will always be beloved by our BHS Class of '76.

“ We met Alan about three years ago when we first bought our horses. He impressed us with his knowledge and down home personality. Our last conversation was not about anything in particular but just a conversation between friends. We had become friends and Alan was a good advisor in horse matters, he never steered us wrong. He will be greatly missed in this household. God bless his memory and may God be with his family and friends.
