“ Anita was a Student Assistant at the UWG Bookstore while she was in school. We all had so much fun together and what memories we'll always have of this special soul, we were all kinda like glue back then. Anita always had a smile and would make you smile, say some of the funniest things out of the blue and had a loving compassion for everyone. Have not seen Anita in years but knew when she and Marcus were dating she had the love of her life in sight. A few years later she brought the girls to see us at the bookstore and I guess that's the last time I saw her. We also talked about her Grand-Daddy Ed who I had worked with at Warren Sewell Clothing years before and what a coincidence it was with us now working together. My thoughts, prayers, love and sympathies are with each one of you today and in the coming days. May God Bless Each One of You,

Love,

“ I worked with Anita at the PIG when we was younger, she was always so sweet. Through the years of passing each other she always spoke. I will always remember our times together as teenagers. Anita had a beautiful family and will forever be greatly missed. Love to the McManus family.
