“ My name is Casey Ellerbee. I transported Anthony to dialysis for 2 years. He was and always will be one of my favorite patients. I visited him at West Georgia Hospital and we took some “selfies.” I wanted to share them with you. He always had me laughing and grinning. He always had a story to tell me about his childhood as well as normal day to day. If you need me to send you the picture my cell is 404-750-3439. I’m sending my prayers and condolences, also. He will be greatly missed and always remembered. The pictures are from July 23, 2019. Feel free to crop me out of them.
