“ One of my last memories of Ms Bessie was when we were at a singing at our home church during the last year. Ms Bessie seemed to enjoy the singing so much, and I was joyfully blessed to observe her as she sang songs we had sang there in the 60s and 70s, without missing a word!

*I could never thank Mr LJ and Ms Bessie enough for ministering to my Mother during their senior years, as they would stop by to visit and share the fruits of their labor with her. It brightened her day so much!*

*To Ms Bessie's family...May He continue to comfort and strengthen you as you journey through the days ahead. I love each of you, and am thankful for the blessing of your lifelong friendship!*
