“ I am so sorry to hear of Betty's passing. I worked with her at Tanner Medical Center about forty years ago when I was a student. I still can hear her laugh and see her smile. We usually worked weekends together and she was always a joy. I heard so many wonderful stories about her family and definitely know she loved all of you immeasurably. I know you have so many memories and hope they comfort you now in your loss. She was a jewel!

“ Betty Sue was my most favorite cousin. She had such a sense of humor she made me laugh. I remember the last time I saw her a few years ago. My husband and I were visiting my brother in Carrollton and we drove to Betty's house for a visit. She was sure surprised because we had not called to let her know we were up from Florida. I think we sat around the kitchen table talking for hours. At some point Jeff came home and we talked about our childhood. I will miss brewing able to visit her when we make a trip up.
I Love you and will miss you..
Your cousin

“ Aunt Betty was my favorite aunt. Her and Uncle Donald spent many weekends with us and us with them at the barn house when they were building it. I can still hear Aunt Betty saying "Lord", in her sweet southern draw. She was loving, kind and loved us all as her own. I know she is so happy to be with Uncl Donald again. Jeff and Beth, I'll see you both Sunday. Love Missy.. Cliff and Mary's youngest daughter.
