“ Our most recent memory of Brandon was one afternoon we hit the pond not far from our house. And Brandon was a trip He couldn't believe he hadn't caught anything and challenged Vas to a rematch. He loved fishing. He always was looking out for other's and always was humble. He was such an inspiration to being and staying positive. We always had long conversations about God and sin and life! Brother we will miss those long conversations and miss that smile. Till we see you again in Heaven everlasting!!!
