“ *I just heard the news and I'm heartbroken. Me and Cameron go way back we were best friends all through high school. I have fond memories of hanging out at his house having fun and he would come over to my house all the time to go swimming. After school we lost touch with one another as usually happens but I can say without question he was the finest human being I've ever known. I just wish I could have had the opportunity to see him again. May The Lord bless the family in their time of need and there is comfort knowing he is in the kingdom of heaven with the father and he is reunited with his mom again. It's just sad for us cause he was so young and left us way too soon. My friend Mr. Cameron Jerome Alewine I will never forget you, rest in peace I will see you again I promise!*
