“ *I remember going to the hospital to meet Carson and what a bundle of joy he was. He has touched more lives in his short time on this earth, than many will ever touch. We have the promise that we will see him again one day soon. For now Carson . You enjoy the splendor of Heaven and all it's beauty. You cannot come back to us but we can go to where you are. Until that day, run all over heaven and if there is a tricycle there. Then get on and ride right up to the feet of Jesus.*
