“ Sandra, Chad, and families, I'm so incredibly sorry for your loss. I have the most fond memories of great times growing up with Casey as my friend. Specific moments and interactions with Casey all the way from early elementary school through high school are very vivid- school projects, fishing, baseball, football, golf. One time during our 96 playoff season I was finding myself in a real rut. Casey really helped motivate me to work through some things. Not only thoughts and prayers, but actions like Casey would do.
