“ I didn't know him like most but I knew him enough to know I was family from the word hello. The short time we shared he had me hanging on to every word in every story like I was a kid all over again. He had a lot of love for a lot of people and all of those loved him just as much. It was an absolute pleasure Uncle Cecil, you will be greatly missed. May God bless you in heaven!!

Thanks so much and we think of you often. I was so glad your late husband could marry Ron and I almost 40 years ago. It meant a lot to our family and our Dad loved Ed too and so funny how we reconnected in Mississippi! What a gift ❤️
