“ We only knew Mr. Cospers for a short time, but we thought the world of him. He was our dad's across the hall neighbor at Autumn Square, so we got to know him, quickly. He was so kind and helpful to our dad. Mr. Cospers helped him use his phone to call us, since he was unable to do it himself. There were times he would call me to let me know when my dad was having a rough day. I always loved talking to him when I was there visiting my dad. My brother and I were sad to hear he had passed away. He will be missed.
