“ We want to extend our love to this family. I will always think of how Mr. Charles loved my family, I didn't get to spend as much time with him as what I wish that I could have. I could always tell how much he loved his family, he was a great guy. He always talked about his grand kids with a big smile on his face. He made me feel like he felt about us the same way. I will never forget how he would come over at my mom's and talk I always looked forward to seeing and talking to him. He is greatly loved and missed.

“ WE are so sorry for your grief. we are never prepared to give up a loved one and it is never easy. We will miss Mr. Charles so much! we will miss his visits,he would keep an eye on the clock{he didnt want to miss wrestling} at about 3or 4 minutes til time for it to come on, he would hop up and say .. I gotta go! wrestling is about to come on! we have so many good memories of him.He was always there to lend a helping hand. The kids thought of him as the neighborhood Pawpaw, he loved the kids and they all loved him.This place will never be the same without him here. we are so thankful for the time we got to spend with him. our lives are better for having known him. We miss you and love you Mr. Charles!!
