“ I can remember having such a wonderful time at our Christmas Party last year. Charles loved playing the games that I thought up. He was always smiling and laughing. Always making others laugh. He made everything we did that day better! He enjoyed the food and the time that we spent together and I enjoyed everything more because he was part of our family. It was a great day because he was part of it. Just like anything that he was part of. I will miss him. I am so very sorry for Debbie, Samantha and Rudy. I love you all and want you to know that if there is anything that I can do please let me know.

I will miss my cousin Charlie. He was a wonderful person. He always tried to make you smile, no matter what he may have been going through. Charlie was a fun, caring and warm hearted person, that I am truly glad to have had in my life. I have many Thanksgiving and Christmas memories of him. When he walked in the room all you seen was a big smile on his face and always filled with joy. I'm truly going to miss him. Love you Charlie...

Love your cousin,

Samantha, I love the what you had to say about your daddy! He was great at telling stories! He was so funny:) He was a very caring man. He will be missed. I am so sorry for your loss. If you like to write....maybe later you could make a "Daddy Journal" and write down memories as they come to you so that you will have an entire book dedicated to his memory...
