“ *Cindy and I graduated from Central High School in 1974 together. She was a great friend! We went to work at the Times-Georgian where her sweet Dad got us a real job. We reconnected a few years back while working on our class reunion. A group of us spent months planning our 45th reunion. It was a time of fun, memories shared, and good meals together at City Station. Cindy was the life of the party and played a large part in making our reunion so special. I will never forget spending all those evenings with Cindy. She always talked about her family and how much she loved them. I will treasure the memories Cindy! I love you girl❤️*
