“ I am one of the many EMT's and Paramedic that cares for Mrs Phillips while taking her to and from Dialysis. I personally enjoyed getting to know her and we often joked around in the back of the truck. Mrs. Phillips was a wonderful lady and I feel very privileged to have had the opportunity to get to know her.

I would always joke around with her about who was driving, (She Had her favorite drivers and a list of those she would rather rider in the back with). I am going to miss our Tuesday, Thursday, Saturday transports. Along with our many conversation about random stuff. Mrs. Phillips was loved by and will be greatly missed by the folks at Floyd EMS.
