“ I am saddened to learn that Dale Pollard had passed. He was a good friend to my father and mother throughout their golden years. They always looked forward to his visits with them. I will never forget the cases of double yolked eggs he shared with them many times. I am so glad I was able to talk with him on the phone, the last time being several months ago. I will remember him for his generosity and genuinely friendly personality. I know he will be remembered and I know he will be missed by his family and the community he called home... “ There was never a kinder more caring soul than Dale. Our family lost a special part when Heaven gained this wonderful soul.

“ *Such a good friend for a long time. I met Dale in 1974.....I lost contact with him for many years, but finally made contact with him about 10 years ago. Many memories of riding around in his truck and talking and laughing.....he was a good friend. I will miss him. My prayers are with Dale’s family. He was a good guy!*
