“ *Wonderful memories of Aunt Dean flood my mind when I think of her! She always had a smile and a hug for me. She had a way of always making me feel important and loved. I will always especially remember how she kindly and patiently gave me, a bumbling, self conscious 15 year boy, dancing instructions in preparation for my first school dance. She gave me the self confidence I needed for that adolescent milestone and I loved her for it! She was a perfect example of the wonderful loving family I was lucky to be born into. I will always hold her in my heart! Jim Calhoun*
