“ Dabner you are and always will be my Bestest Buddy. There is not a day go by that I don't think of you and want to call you and talk our hour plus talk just talking about everything and sometimes nothing at all. Today is your Birthday and we had big plans. But we will be together one day and we will party then. I Love You My Bestest Friend "Dabner" R.I.P. Your work here is done and all your pain is over. Till I see you again I will go on loving you.

“ I am sorry to hear about Deborah. May God's comfort be with you. God promises to "wipe out every tear from their eyes, and death will be no more." (Revelation 21:4) I hope this thought will bring you some comfort.
