“ Debra was loved by so many, and I will cherish forever our friendship. I first met Debra while she was still in school and seeking to sharpen her musical knowledge. She was a wonderful student! Our paths crossed intermittently through the years, and then intertwined again later in life when I became a student, then an employee, of West Georgia Technical College, where Debra worked. I found her to be that same loving, kind person that she was when I first met her. To Debra's family... I pray you will be comforted by His presence as you journey through the days ahead.

“ Debra was an amazing lady. I have known her for over 20 years and previously worked with her at West Georgia Tech. I remember hiring her, without hesitation, many years ago. I remember us laughing so much when I worked there and sharing a wonderful friendship. She will be sorely missed.
