“ *Denatia and I worked together in the early 80's at CBS Records ..She was always laughing and smiling and sooooo loud you could hear her all over the warehouse...That's is why we loved her so. After leaving CBS I didn't see her for like 10 yrs and saw her at K-Mart the hug she gave me I thought was going to snap me in two.. lol She proceeded to slap me on my butt and say about darn time you put some meat on those bones...Ha Ha ha ...That was Denatia always speaking her mind ..she will be missed dearly :) Until we meet again my dear friend may you RIP Love Darla Pendergast*
