“ Sally and Doug Kuglar always came at my checkout line at Walmart, he would tell customers, I can aggravate her; she's my cousin. We were related. He'd always ask me about my family, and talk about Georgia Bulldogs and Bowdon Football. Even though I only knew him a short time, he was always friendly, I felt like I knew him all my life.

Known him for many years played softball in church leagues . His favorite thing to psyche out the other team was get down get down get down. He also traded with us at Bowdon Hardware. I felt that he was a personal friend. we will miss him badly
