“ Grandmother:

Your life was full of loving deeds, forever thought of other's individual needs.

Today and tomorrow, my whole life through, I will always love and cherish you!!

Mama, Sonia was so right, your life was full of deeds for others, never thinking of yourself only of others. You always wanted everyone to have plenty of good food so you were always cooking and then cleaning everything up and saying oh it was no trouble at all. Never a day goes by that I don't miss you and wish I could spend another day another hour with you. These wonderful memories of you are a blessing to me and the memories of how you always treated me with love and respect and kindness, not sometimes but always all through my life. That's true love.
