“ *How much love do I have for the members of my family is untold. My first cousin Esther Marie was a very wonderful part of my early years. I have great memories of times spent with her and my Uncle Dewell and Aunt Leola at their house and at MaMa Josie's. She was one of my Moms favorites and was loved dearly by all that knew her. We pray for her and her family and are secure in our belief that she will be with us all someday in paradise. She is one of God's angels and we can share in her presence through our prayers. God Bless You my dear. Bruce.*
