“ Aunt Evelyn was one of the Most Loving People you would want to meet; I will Miss her "So Much"....as will hundreds of other people. Every time I called and talked to her; she always told me what Great Daughters she had Pat, Sharon, and Sheila. She always told me that she never had a worry; because they were always there to help and love her. She said that she must have done "Something Right"...and I was quick to say YOU SURE DID!....I LOVED her very much and will Dearly Her....
