“ *Ferrell and Lucille were friends to my parents Teman and Clara Denney since the late 40's. Neighbors were always helpful and kind. And we kids grew up together. We attended church together, also. In fact, Ferrell even repaired my fiancée (current husband)'s Volkswagen bug one weekend when it broke. He was a truly smart person and very kind. I also really admire how the entire Warren family has really pulled together the past 10-15 years as they went through one trial after another. Lots and lots of love to the family.* ”

Many good memories of Ferrell & Lucille. They were customer of my Dad at his grocery store and dear friends also. They were certainly taken good care of by you children. Thinking of you as you cope with your loss.
