“ Aunt Florene was the sweetest woman I have ever known. Everytime I saw her through the years from the time I was a little girl she would tell me “I love you so much”..all the while holding your hand and giving you her full attention.. This was not just to me but to all her family. Even after the stroke that took away her ability to speak she still tried so hard to mouth “I love you..” while sitting on the sofa with her sisters at Aunt Flossie’s 90th birthday party! We all just knew that she loved all of us so much..My heart and prayers go out to you Tommy, Kim and all my cousins and family at this time..I know after my Dad passed so many tell you it gets easier as time goes by and while that is true ..you never ever forget them. I know God has my Aunt Florene in His hands now but know she is still sending us all her love. Patti (King) Snow (Virginia’s daughter)

“ Ms. Florene was the epitome of a Proverbs 31 woman. If she told you she loved you, she also showed you that she loved you through her actions. I am thankful for the friendship and sweet memories of this precious lady. To her family...you are in my thoughts and prayers.
