“ I have known the family for many years. He was a man blessed with an amazing wife & 2 awesome, sucessful sons. I know it's a difficult time, but in the midst of sorrow, I can remember so many wonderful things about working with Phyliss, teaching their children, & remember the many visits to their home on many occasions when the boys were small. I was their First Grade Teacher and Gary has much to be proud of with his family. The family has always remained steadfast in good times & through hardships. They have much to remember & to be proud of. I admire their strength & core as a family & remain united with them at this time of grief, knowing they will emerge stronger as a family united. May God Bless & Keep them & hold them in the hollow of His hand. My prayers go with you at this time.

“ Just remembering Gary's sweet smile when he sat in the chair and just watched all of the kids during the Holidays. You could see it in his eyes. He dearly loves kids.
