“ Praying for the family. Ms Gleamer was the type of person that would give you the shirt off of her back. She was always sending me something. Many times it was something that she had cooked or something out of the garden. Much appreciated! She just always wanted to be a blessing by giving people something. She will be missed. But we will always have the memories. I can't imagine when He said welcome home!

Aunt Gleamer was probably one of the hardest working individuals I have ever known. She had a way of finding the bright cheerful side even though she knew it might not be the best of days, she could still turn her smile on and brighten my heart and gave my husband strength and encouragement during his fight with Cancer. She could push ppl to strive to be and do their Best. I am lucky to have had such a great lady as my Aunt and Friend. I miss her already. Rest in Peace for You fought the great fight. Comfort and Prayers to Billy, Pat, Chad and grandchildren
