“ *What a beautiful picture of Glenda! We were 7th-grade classmates at Bowdon High, so seeing her face again brought back such sweet memories. Some were of PE classes where we learned to play volleyball and constantly laughed at the sight of each other dressed out in gym suits. Last night, I brought out my school photo album to find Glenda's 7th-grade picture that she gave me, with her name handwritten on the back. We lost touch through the years as classmates do, but I've always remembered Glenda as a treasured friend who made me smile and brightened my day. I loved her, and I would like to express my heartfelt condolences to Glenda's family and loved ones - you were so blessed to have her in your lives. Even through our tears, I know that she already has the angels laughing! ~ Laura Crews Evans*
