“ Met Glynda and Donald in June 1967 in Tampa, Fla. Donald was  
stationed at McDill Air Force base.. We moved to a apartment in this  
big house. All the couples up stair s were northern.. When we found  
out they were from Ga. had to meet them from that day forward we  
became friends. and still this day we are friends. Just got a letter,  
from Glynda a few weeks ago.. Our daughters were born about 3  
1/2 mos. apart. They were so cute together -Angela and Allison.  
I cherish all of those wonderful times we all had together.  
Donald , you and your family are in our prayers.

“ *Mrs Glynda was a big reason I finally decided to take the leap into education after leaving the bank in 2008... She told me to go for it and that I'd be good at it. I loved her sweet heart and great stories and advice. I know she will be missed by many. My prayers are with the family in this time of grief.*
