“ Will always remember Debbie, her sense of humor, and her love for her classmates at Bowdon High. She commented frequently on her love for the Bowdon High Band that her brother Mike and I were members of. Especially remember our senior year and the senior play we did, "Up the Down Staircase". Love ya, Debbie.

“ I want to send symphathy and support to family and friends. She allowed me to call her Debbie because I could never make the change and she was always bright and energetic. She's quite a fine person to look up to. I regret that other obligations keep me from visiting or attending the funeral. Thank you. Mary Ann Denney White
