“ Oh I loved Hazel, that is what I called her. My husband and I rented that house next to them for several years. Her Mother, Miss Johnson lived in the trailer. Ms Hazel taught me lots about cooking. I still use some of the short-cut things she taught me, I loved her and her Mother so much. Two of our kids were born while we were living there, moved there in 1969 and moved back to Tallapoosa in 1975. So many great memories while living there. She was dearly loved and I know she will be greatly missed.

“ My Aunt Hazel was a beautiful woman inside and out. My parents divorced when I was little so I didn't actually get to know her until I was an adult. She was one of the sweetest people I have ever met. She was also a wonderful cook as anyone who ever came to our Norton Reunion would tell you. I will miss her.
