“ My daughter and I would take my mom and Miss. Helen lunch every other day. She would call me the President and always say “I’m so glad I voted for you! You’re doing a GREAT job!” At first I was confused lol, but that became our routine lol, her acknowledging me as her President and always telling me how pretty I am, and I noticed we both had a love for pink which made me love her more. You were loved Miss. Helen!

“ I worked with Helen at Tanner Health Systems for many years. She was a kind and caring person and it showed in her years of nursing. I will cherish the memories of her as a friend and nurse. My prayers and condolences are with her entire family and friends.
