“ Buddy, Hollie, Reggie, and I have shared lots of memories and many cups of coffee with Herman and Doris. He could always tell the best stories like the time Doris took him to the store to get some "White Lightning" and he gave them 25 cents for a 15 cent pack of paper, or the time he got Doris a hearse, or the time he ate some unsalted peanuts that were supposed to be chocolate covered according to the can at the nursing home. There are countless memories we have with him and he is truly missed!

“ *Our prayers and love is with you all. Uncle Herman was a precious man that loved the Lord and his family. He also loved making people smile, he always had a story, joke or something to tell that made you laugh. He always welcomed you in and made you feel like part of his family, if you were not already. We will keep you all in our prayers, we love you all. George & Kathy Wood.*
