*I lost a good friend and first cousin that won't be forgotten. We shared many great times together for the first twenty years of my life. He would visit me on the farm couple of miles away and the afternoon would be gone before we knew it. He enjoyed playing on the dirt road banks and woods in our earlier years and later on our bikes. We explored many places.. Teen years later as we worked at the Bowdon Bulletin weekly paper, our lunch break would catch us playing tag on the few railroad cars up the street or riding our bikes on a car rail up the track. Many more pages could be written about our lives but not now.*

*I regret so much that I was unable to come back to Bowdon during the time of Herman's services. My wife, Bobbie, has severe health issues and I cannot leave her during this time. I was there in spirit but that did not help how I felt not being there.*

*So, My Friend, May You Rest In Peace. May God be with your family and give them peace and have many brighter tomorrows.*

“ Herman served his country and then continued to as a community leader AND very productive member of American Legion Post 143 in Carrollton. He served for a long time as Chair of the Finance Committee insuring that the Post finances were properly handled. Working with him was a blessing to me personally. Herman was not a "bench warmer" He participated where ever he was.

“ I knew Herman mainly from the Carrollton airport. He was truly a fine honest man and a true friend. When he was a county commissioner he was fair and would make sure all of peoples concerns would be addresses. May God bless this fine man and comfort his family and those of us who mourn.
