“ *What a hard loss!*

Though we never had the opportunity to meet him in person, Hulion will always hold a special place in our hearts. We worked with him for years, and enjoyed many enlightening conversations and laughs with him.

He always had the sweetest demeanor, and was an absolute delight to work with! We were so blessed to have the pleasure of working with him.

Our deepest sympathies to his family.

“ *From the time he was a little boy, Hulion was one of the sweetest people I've ever known. I saw him in Tallapoosa just a little while back and we had a good time laughing at things that he remembered about me. I wish we would stop losing the good ones.

“ Working with Hulion for 6 years was a truly wonderful time. I have never met anyone else like him. A true Southern Gentleman who found so many things "just lovely". A phrase my 4 year old picked up and reminds me of Hulion everytime she says it. I am so sorry for your loss, and incredibly blessed to have known him.
