“ *I remember as a kid coming to visit Mr. and Mrs. Howle and meeting them for the first time and loving on all of their animals!!! Several years later, my mom moved us to Ranburne and I was able to spend time with her and her husband many times throughout my high school season at Ranburne. I am tremendously grateful for the love and affection and uplifting words of encouragement she always gave me!! She gave awesome hugs and always brightened up my day with her beautiful smile!!!! She will be dearly missed. My thoughts and prayers go out to the family members at this time.*

*God bless!!*
