“ I just learned of James passing. Many years ago I was a neighbor of James’s Mom who made me feel part of the family. After James moved to Carrollton we reconnected and enjoyed talking old times of the family with a few tears emerging sharing our expression of love for his Mom.

“ I will miss the conversations James and I used to have about airplanes, politics and military history. James also made for a great tour guide of the West Georgia Museum, in which a part of his high school athletic legacy was displayed. Semper Fi cousin.

“ For my awesome brother....thank you for your zest for and love of life, your inspiring spirit of adventure, your uplifting sense of humor and for all the things you taught me (some early, some late in life). Over the years, we had the usual sibling ups and downs but the love was always there. I will miss you so much, especially our frequent phone calls where we managed to solve most of the world's problems. Words can't express my gratitude that our paths led us to become "best friends" as adults. Rest in peace. Semper Fi, Jarhead.

“ To my Dear Cousin's Family. I am so sorry for your lose. BUT, I'm so glad I got to spend time with James in January 2018. We had great conservations about the military, the family, had dinner, and as always, we laughed. I will miss him and will hold dear the time we spent together and the conversations we had over the years. I enjoyed seeing him with his dog as we walked around at the Veterans Memorial in Carrollton. He explained the history of the Memorial. Very touching and it meant a lot to him as it does all Veterans.

I wish you the very best Memories of James. He was a kind and gentle man who had a smile and a hug whenever I saw him. I know he will be greatly missed. Cherish those memories and always remember he was a Hero and an American who loved his country. He was there to serve his country when he was needed. God Bless you Cousin and All of our Family. May you Rest in Peace.
