Janice and I were teammates at Central Middle School. I learned so much from Janice, watching as her exuberant spirit worked tirelessly to create exciting and fun learning adventures for her students. We were all blessed to know and love her.

“ *Janice was a special friend. I knew her from the Bowdon Historical Society and Tap Water Red Hatters, Bowdon, Ga. She was truly a leader. Her loss will be great. Janice accomplished a lot in her life. Mostly she was a friend to all and faithful to each friend and especially her family.*

“ My Mom, Bobbye Williamson, and Janice had such a great time together in Red Hatters, Historical Society, Founder's Day and they were best of friends. I am so thankful Janice, Don & Mary came to visit my Mom in Punta Gorda. They always had the greatest time and now they are together in Heaven! I am sure those two will be finding a "Founder's Day Parade" on the streets of Gold! If they can't find one, they will create one because I know those two! God bless this precious soul I love you all! Pam Jackson

“ *Janice is well known to our family of 10 including our 3 children and 5 grandchildren. Lorna is a sister of Don Johnson. For 35 years we have been privileged to enjoy Janice's company on many occasions.*

Although we are 1200 miles away, we feel close to Janice and will miss her bright eyes and warm personality. We know Heaven's choir has welcomed Janice as a new member able to harmonize in all ways.

“ *I had the honor and privilege of not only being a student of Janice but later a co-worker. She helped develop my love of language when I was a student and later helped me learn to be an effective classroom teacher. We had many laughs while working together.*

Prayers of comfort to Janice's family but just know that she has her wings now.
