“ I'm so sorry to hear of Aunt Janie's passing. The Lord has blessed her with a long and fruitful life and blessed all of us with her being here for so long. I know that Mama spoke of her quite often and how she helped them when my brother was born and they let her stay with them so that she could be close to the hospital when my brother was there for so long. Aunt Janie is a blessing and has touched so many lives and she will live on in the hearts of all that knew and loved her. I'm so sorry that we won't be able to make the trip for the funeral, but please know that our thoughts and prayers are with all of you.
