“ Jerry Lee built our home on County Road 95. He, Dennis and I drew the blue print and he changed doors and windows and walls like I wanted. We laughed a lot and worked more! He was truly a man of God!! I respect him and Malene more than they know!!  
Jerry Lee you are missed!

“ Jerry Lee was like a second dad to me. I don't know how he put up with me when I would spend the night with Sherry. We stayed up all night talked and kept Malene and Jerry Lee both awake at night. We also had great times when we all went to the beach together. I will remember you!
