“ Please except my condolences for your family and what you're experiencing . I remember Jody as a sweet child and very mannerly in church , he was the same as a young man . And the same through his life , very accomodating as I knew him . A strong quiet Christian man . The son "Heavens sounding sweeter all the time " , comes to mind and for the family of God , it truly is that way . God bless you and keep you . May God's presence be ever near - Elaine Hendrix .
