“ Even though Joey and I haven’t worked together since Andersen days we stayed in touch. We championed Words with friends on Facebook and chatted most every day. He had so many jokes and pokes he kept our friendship alive. Had the most beautiful voice if you were fortunate to have ever heard him. He also proofread everything I typed on Facebook. He would most likely let me know I made mistakes on this post. I will miss you my ole friend rest well Joey until we meet again.

“ Joey was a classmate from first grade on. I can still hear him singing “Climb Ev’ry Mountain” from The Sound of Music at our high school graduation. Climb ev’ry mountain, ford ev’ry stream my friend.
