“ *Bambi, Molly, Amy and the rest of the family.....my heart breaks for you as you have to say your earthly good-byes to John. My heart also rejoices because I know he's in a new body, one that's cancer free, and he's running the streets of gold! Or, trucking them! I know God will hold all y'all tight in His comforting embrace as long as is necessary. My prayers still go up for y'all.....and, will continue to for a long time. Keep John's memory alive; laugh about all the good times, remember family gatherings with love.....never think that John isn't there with you, because, he is. He's always in your heart. I light this candle in remembrance of John.....your son, brother and husband. Sending love and hugs via the airwaves.....Kay Newkirk*

“ *I so remember him as a fun loving kid! Johnny (John) was well loved by so many. Although I've not seen him in years I always loved him and his sister Molly. I know Uncle Paul and all the family are hurting. But I know he is in a much better place than we are and his pain no longer exists. Love You always John!*
