“ *I am sadden to read of Jon's passing. While I haven't known him as an adult, my parents, siblings and I lived across the street from his parents growing up. My parents were very close friends of his. I have an adorable picture of Jon, Joan, my siblings and myself sitting on a pony drawn carriage. Such precious memories of our childhood and getting to spend time with Evelyn and Joan much later.. May God comfort and give you peace.*
