Judy was a treasured classmate at BHS. We lost touch after graduation but I will always remember her beauty, both inside and out, with a smile that lit up the room. She is truly an angel.

“ I would go to Mrs. Judy's office for a mid-day pick me up. She would offer a funny story, some candy or raisins and most of all that wonderful smile and bright spirit. It will definitely be a lot harder to get through those long days without being able to see Mrs. Judy.  I pray that you may find peace in the memories.

Judy was "joyful"! Her sweet smile was like a ray of sunshine and her laugh was infectious. Knowing her and working with her was indeed a blessing! Judy will be missed greatly. Her absence has left a void that can be filled by no other but I do find comfort in knowing that she is an angel in heaven. I will see her again. What a glorious day that will be! Praying for comfort for her precious family and many friends.

“ I grew up with Judy and the wonderful Kelley family. We attended Burwell Elementary together. Judy was one of the kindest, jovial people I ever knew. I worked with her at Tanner at the beginning of her career. She was a very dedicated and loved nurse. We have lost a bright light in the world and her presence will be missed.
