“ *Diane, Edward and families,
I was very sad when Dad told me of Junior's passing. He and Dad were such good friends, and Dad will really miss him. They understood the grief when a person loses their life's partner--and I think it became a very strong bond between them.*

“ *Diane, and Family,*

I just read your Dad's obituary in the paper. Mother, Dad and I were so sad to read of his death. Mr. Pollard was a wonderful person. I have so many good memories of him, coming to Ranburne, visiting in your home with both your Mom and Dad. He reflected so much love for his family, church, community, and people. I enjoyed visiting with him during your tragedy of losing Dawn. I just want you to know how much of love you and your family, and how blessed I am to have known your Mom and Dad.

Our thoughts and prayers will be with you in the morning. Mother and Dad love you so much. I want to visit with you during the holidays.

Much love, Marcella and Family
