*I was so saddened to find out today about Ms. Kay's passing. She and Mr. Cospers meant a lot to me. I met them several years ago and kept in touch with them over the years. I spoke to her several months ago and promised to come visit with her soon. In the past few weeks I've been trying to call and was worried something was wrong.*

*My heart sank when I found this site.*

*She reminded me so much of my own mother, I was very drawn to her precious kindness! She was an amazing lady and we'll miss our chats. They have become fewer since she stopped messaging on the computer, but we stayed in touch as much as possible.*

*My prayers for the family, especially Mr. James. I was graced on one visit with the two of them singing and Mr. James playing his guitar. I will forever cherish that memory and was happy to know her. Best wishes Mr. James!!*

*They were always so kind to me and I will miss her immensely.*

“ Kay was the best mother in law anyone could ask for. She welcomed me with open arms and was nothing but kind. She will be greatly missed .. I was very blessed to have her in my life even for a short time. She loved everyone around her so dearly The last time I saw her smile was when her son Mike was talking to her about our Kitten that she always referred to as a little lion. It melted my heart that he was able to get her to smile so big because of him.. so I will end by saying thank you for welcoming me into your family with open arms and a heart full of nothing but warmth Your legacy , Christian faith, love , and acceptance will continue to live on through us for generations to come .. you left beautiful memories and will always hold a special place in my heart Rest well , Kerre
