“ *Wanda, my dear friend, I know you are missing a big piece of your heart! How I wish I could make it all better. I have not been told the details- but please know, and I truly mean this, I love you and can be at your door in 2 minutes flat- just call. The loss of a child is such a deep dark hurt, its almost unexplainable, I feel your loss and will keep you and kayla in my prayers. I would have been there for you sooner, had I of known- I am sooo sorry

“ *Kevin was a great guy. No matter what he always was smiling. He will always have a special place in my heart because he gave me the most important thing in my life (Jarrett). He will never be forgotten. My thoughts and prayers are with the family. Monica Wright*

“ *Wanda I didn't know Kevin but I'm sure he had a lot of your similarities, which reminds me of those days at Steed Sales. You never wanted anyone to be sad and always tried to make others laugh and from what others have written he was just the same. My thoughts and prayers are with you and your family during this difficult time. May God be with you all during the days ahead.*

“ Kevin was a GREAT guy. I considered him one of my good friends when I was in high school. He always had a kind word and if you were down he made sure that he did all he could to lift your spirits. The thing I remember most about Kevin is his hugs. He gave the best bear hugs that made you fell better no matter what was going on. He will be missed greatly. My thoughts and prayers are with the family and his friends.
